Vehicle Service Agreement**

**Eligible
Pre-Owned Cars**

Army
Navy
Air Force
Marines
Coast Guard

Intercontinental Warranty Services, Inc.

Features

- Low deductible
- Towing \$50 (Max per Claim)
- Car rental (up to 5 days/\$150)
- Nationwide protection
- Convenient access to services via toll-free number
- Increased vehicle resale value
- Roadside Assistance - flat tire service, fluid delivery, jumpstart and lock-out protection

Why purchase extended coverage?

Most major repairs occur after the manufacturer's warranty expires. Members are keeping their cars longer and repair costs keep rising.

Members of DCUC affiliated credit unions will have peace of mind knowing their family's investment is protected

- The cost of this top of the line coverage may be included in your credit union auto loan for just pennies a day.
- Your car's resale value immediately increases with transferable coverage.
- 60 day money back guarantee.

IWS Sentry Coverage (POWERTRAIN ONLY coverage for members of DCUC affiliated credit unions for eligible pre-owned cars) provides for repairs for specific items only listed in 1-7

1. ENGINE. Engine block and heads, internally lubricated engine parts including, but not limited to: pistons, piston rings, piston pins, crankshaft and main bearings, connecting rods and bearings, camshaft and bearings, timing chain, timing chain tensioner and guides, timing gears, intake and exhaust valves, valve springs, valve guides, oil pump, push rods, rocker arms, rocker arm shafts, hydraulic

and solid lifters, distributor shaft and housing, balance shaft, accessory shaft. The following external parts are also covered: mounts, timing belt, timing belt tensioner, intake manifold, harmonic balancer/crank pulley, serpentine belt tensioner, valve covers, timing gear cover, water pump, vacuum pump, air cleaner housing, sensors.

ENGINE (Diesel). The above listed parts.

ENGINE (Rotary). The above listed parts plus rotors, rotor seals, rotor chamber, eccentric shaft and bearings and all other internal parts of a rotary engine.

2. FUEL PUMP (Mechanical or Electric). Housing, diaphragms, springs, valves and actuating lever.

3. TURBO CHARGER. Internal parts, vanes, shafts, bearings; housing if damage is caused by a Breakdown of any of the above covered parts.

4. TRANSMISSION (Automatic). Transmission case, internal parts including, but not limited to: torque converter, solenoids, gears, shafts, bearings, bushings, bands, clutch plates, friction and steel drums, oil pumps, servo units, valve body and plate, governor, rings, valves, flex plate and/or ring gear. The following external parts are also covered: vacuum modulator, mounts, solenoids, transmission controller.

TRANSMISSION (Manual). Transmission case, internal parts including, but not limited to: bearings, bushings, shafts, spacers, main drive gear, main shaft, shift forks, synchronizing drum, mounts, gears and all units within the overdrive housing. Coverage does not include the clutch assembly, clutch pressure plate, flywheel, pilot bearing and throwout bearing.

5. TRANSFER UNIT (4 X 4). Case, internal parts including, but not limited to: bearings, bushings, sprockets, chains, sleeves and gears, viscous coupler, shift forks.

6. DRIVE AXLES. Internal parts including, but not limited to: ring and pinion gears, spider gears, side gears, bushings, bearings, spacers, yokes, axle shafts, lock rings, retainers and axle bearings. The differential housing is also covered if damage is caused by Breakdown of any of the above covered components.

7. DRIVE SHAFT, CENTER SUPPORT AND UNIVERSAL JOINTS. Including constant velocity joints and tripod joints.
